

## Nissan Forklift Attachment

Nissan Forklift Attachments - Nissan prides itself on attaining total client satisfaction when their buyer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to providing high value and detail-oriented quality values to their clients. Incorporating a fruitful heritage combined with resilient manufacturing principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Committed to delivering consumer support, the company has four distinct production facilities that allow them to constantly adapt to their clients continually evolving needs by providing a variety of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using systems and processes that lessen their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their clients require whilst being an environmentally conscious company.

Nissan is assured that they will be able to address any buyer queries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
