

American Lincoln Parts

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the industry they are known within the business as providing strong and durable machinery which satisfies the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company which is presently likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are accessible in the market under the brand name "Encore". American Lincoln can supply parts, warranty service and equipment for these scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of various facility managers where efficiency and results make a difference. Lately, this floor scrubber model has been utilized by the architects in different construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
