

Concrete Hopper

Concrete Hopper - This attachment is a self-dumping hopper which automatically sets off to unload whenever bumper release contacts the side of a dumpster. After unloading is completed, the hopper returns to an upright and locked position. This particular piece of equipment is even offered with a cable which enables operation from the seat of the lift truck to be able to have the option of manually dumping the hopper. There is a locking chain provided to be able to secure the hopper to the tine truck. This product is constructed with reliable and consistent robotic welds for utmost strength. The lift truck dumping hopper even has a blue powder coat finish to be able to maintain durability.
