

Nissan Forklift Part

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on achieving complete client happiness when enjoying one of their car, truck or forklift products. They are committed to delivering high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with strong processing principals, Nissan Forklifts provide some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to keep up with worldwide lift truck demands. Committed to providing customer support, the company has four independent production facilities that allow them to persistently adapt to their clients continually evolving wishes by offering a variety of innovative ideas and designs.

The Nissan Forklift North and South American center is situated in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to preserve environmental accountability by using methods that diminish the worldwide impact of their products and processes. These high values remind customers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious organization.

Nissan is fairly convinced that any of their clients queries and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
