

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to offering new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They enjoy providing products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of staff likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' requirements and skills combined with their understanding of cleaning applications, together with owners' strong desire to dramatically lower expense through productivity gains.

When required, the employees within TREK and its numerous dealer members in both parts and in technical support would be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery functioning and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machine which ultimately lessens your cleaning cost. The product, the price and the service all work together so as to make them an industry leader.
